## **BABY SAFE HOMES® ANNOUNCES SERVICE OFFERINGS IN DENVER, COLORADO**

*National Child Safety Consulting and Installation Group Expands Offerings to Adams, Arapahoe, Weld, Larimer, Boulder, Broomfield, and Douglas Counties*

SAN DIEGO, Calif. (January, 18 2010) – *Baby Safe Homes®*, a national, full-service child safety company, today announced that they have expanded their service offerings to include Denver, Colo. Based in San Diego, Calif. *Baby Safe Homes* has enjoyed offering safety evaluations and professional installation of child safety products for over a decade, says Robert Lockheimer, President and CEO.

“We are thrilled to be able to offer our expertise in child safety to the Denver area,” explained Lockheimer. “A parent’s responsibility to create a safe, home environment where their children can learn and grow is a daunting task and we are happy to be able to relieve local Denver parents of this duty while providing the additional peace of mind that our expertise offers.

Denver residents looking to take advantage of a free in-home consultation and schedule a certified *Baby Safe Homes* expert to help create the safest environment for their children can contact local service operator, Zeb Langley at (888) 481-SAFE or visit [www.babysafehomes.com](http://www.babysafehomes.com). Counties covered include; Adams, Arapahoe, Weld, Larimer, Boulder, Broomfield, and Douglas.

*Baby Safe Homes* also offers services in Southern Calif., including Orange and San Diego County, Jefferson County, Colo., Phoenix, Ariz., Williamson County, Tenn., Houston, Texas and projects to expand to many additional territories in 2010.

To schedule an interview to discuss child home safety with industry expert, Robert Lockheimer, or to inquire about *Baby Safe Homes* presence in Colo. please contact Tara Cooper at (619) 992-1781 or email [tara.cooper@babysafehomes.com](mailto:tara.cooper@babysafehomes.com).

### **About *Baby Safe Homes***

Founded in 1998, *Baby Safe Homes®* is a privately held, family-run company headquartered in San Diego, Calif. To fill a growing need, the company has developed unique baby proofing
