BABY SAFE HOMES® ANNOUNCES SERVICE OFFERINGS IN PHOENIX, ARIZONA

National Child Safety Consulting and Installation Group Expands Offerings to Maricopa County

SAN DIEGO, Calif. (July, 15 2009) – *Baby Safe Homes®*, a national, full-service child safety company, today announced that they have expanded their service offerings to include Phoenix, Ariz. Based in San Diego, Calif. *Baby Safe Homes* has enjoyed offering safety evaluations and professional installation of child safety products for over a decade, says Robert Lockheimer, President and CEO.

“We are thrilled to be able to offer our expertise in child safety to the Phoenix area,” explained Lockheimer. “A parent’s responsibility to create a safe, home environment where their children can learn and grow is a daunting task and we are happy to be able to relieve local Phoenix parents of this duty while providing the additional peace of mind that our expertise offers.

Phoenix residents looking to take advantage of a free in-home consultation and schedule a certified *Baby Safe Homes* expert to help create the safest environment for their children can contact local service operator, Todd Watkins at (888) 481-SAFE or visit www.babysafehomes.com.

Baby Safe Homes also offers services in Southern Calif., including Orange and San Diego County, Jefferson County, Colo., Williamson County, Tenn., and projects to include five additional territories in 2009.

To schedule an interview to discuss child home safety with industry expert, Robert Lockheimer, or to inquire about *Baby Safe Homes* presence in Phoenix please contact Tara Cooper at (619) 992-1781 or email tara.cooper@babysafehomes.com.

About *Baby Safe Homes*

Founded in 1998, *Baby Safe Homes®* is a privately held, family-run company headquartered in San Diego, Calif. To fill a growing need, the company has developed unique baby proofing systems and techniques to create the safest environment for babies and children across the
